Kill Yr Boyfriend

Bis

Been a creep ever since you met him
It's time for revenge, girl, you're really gonna get him
Kill yr boyfriend (yeah, yeah, yeah)
Kill yr boyfriend (yeah, yeah, yeah)
Been too long looking at his face
Get out of this misery, get him outta this place
Kill yr boyfriend...

He's a heartless swine, beating you all the time
Get yr gun and kill yr boyfriend

He's lazy and he's selfish too
Come on girl you got somethin' to do
Kill yr boyfriend (yeah, yeah, yeah)
Kill yr boyfriend (yeah, yeah, yeah)
Easily angered and crap in bed
Gawd how much you want him dead
Kill yr boyfriend (yeah, yeah, yeah)
Kill yr boyfriend (yeah, yeah, yeah)

Time to get satisfied, so much that you haven't tried
Get yr gun and kill yr boyfriend

Yyyyyyyyyaaaaaaaaaaauuuuuuuuuuoooooooooowwwwwwwwwww!
I love you just as much as i say
But if we ever moved in i'd never let you have your way
I'm gonna kill my girlfriend (no, no, no)
Kill my girlfriend (no, no, no)
Maybe you're not so hot yrself
I'm gonna put you back on the shelf
I'm gonna kill my girlfriend (no, no, no)
Kill my girlfriend (no, no, no)

Yeah
Yeah
Yeah
Kill yr boyfriend!
