

I buy records 'cause my boyfriend says so
I make friends 'cause my boyfriend says so
I wear these clothes 'cause my boyfriend says so
I am this way 'cause my boyfriend says so
I want the best and I need the best
I love my boyfriend
He is my friend 'cause he is the trend
I love my boyfriend
I am angry 'cause my boyfriend says so
I am happy 'cause my boyfriend says so
I am submissive 'cause my boyfriend says so
I am outrageous 'cause my boyfriend says so
I want the best and I need the best
I love my boyfriend
He is my friend 'cause he is the trend
I love my boyfriend
Hey girlfriend, you're suffocating me
I got friends and other people to see
You want love, you got to give me space
Hey girlfriend, no tears on your face
I am outmoded 'cause my boyfriend says so
I am defective 'cause my boyfriend says so
I kill myself 'cause my boyfriend says so
I sing this song 'cause my boyfriend says so
