

What You're Afraid Of

Bis

(take the radical way, the direct approach should always be encouraged) (if I want my way, I earn it. bite by bite, I'm slowly ...)

(take the radical way, the direct approach should always be encouraged) (if I want my way, I earn it. bite by bite, I'm slowly...)

let us all advise you now, get out middle ground does not exist, not yet now you're showing far too much, can't think I will have to rethink where I sit, motives cover up I can not reveal, too much can you please have a quiet word, with her

(take the radical way, the direct approach should always be encouraged) (if I want my way, I earn it. bite by bite, I'm slowly ...)

(losing all my best friends, never seems to hurt until I go home) (unemployed appliance be relied on, did I mention that)

(the loss I suffer daily hurts like a housefire and there are no survivors) (in the city where I ask a hundred people on the)

(subject of my headstate, my stability can never be in question) (talk a good game, escape coding, ten feet back imploding)

now I know what you're afraid of are you scared I make you nervous

this is too much for the young, so stop no education but, top self my body weakens you, not me how does it feel that you can't knock, me down (living in this nightclub in the grey city, I live here for the money) (not the company of strangers, stranger than me on a Monday) (I should not wake, I am full of hurt, I need to be reminded) (of the way to escape coding and to stop imploding)

now I know what you're afraid of are you scared I make you nervous
