

Invasion

Bishop Lamont

Hey, hey, hey
You give me that microphone
Mine been around, been like
Dropping shit like kidding
Get in school now, check and check it out
I aint caught
You don't wanna deal with me
That release from
Now you can't kill me
Death, death it's my new souvenir
So I can do you any
Like a
Niggas you will all
,, on my dick when I bust, now you come
My warriors spirit activate by a
Down like a sun
You can't high enough to
Never stay to
 get your radio station
Sound like killer can't forget about the

Get your radio stations
Sound boy killer like
Fuck fuck you want
Up in her none in our
Get low you get
You can rhyme with
 niggas drop for more
Line on tour my line and
It's more than listen
This is lyrical literature
Some stuff
 denied your destiny
I'm still on my to damage em
And you knew niggas
 I still sick
Pressing all day recording
Should I do it with death
Rap you math and then do it yourself
Invasion then you wouldn't make it
Get you radio station
Find you boy killer
Invasion then you wouldn't make it
Get you radio station
Find you boy killer
Yo I came into a spinning around like
Dripping so loud
 check and wander
Super humans drop and
Keep good things come
But this doesn't even kick
You're standing all alone now
The real killer
Fuck my position my mission
You all know
To kill you slow
Methafhysicle love bring the

Automatic
This is the that you
Breath with it now leave with it

Invasion then you wouldn't make it
Get you radio station
Find you boy killer
Invasion then you wouldn't make it
Get you radio station
Find you boy killer
