

Wendigo Pt.2 (Cursed To Roam)

Bison B.C.

Human heart growing cold
Spirit beast has possessed my soul
Cursed to roam
Legend of long ago
Evil has taken a hold

Searching the tundra for frozen caves
To escape the demon that's made me a slave
The beast forces my hand
To feast on flesh of man
His thirst controls my mind
In defeat I scream to the sky

Let him howl
Let him feed
Take my life
Let me be free
