Bikini

Bitch Alert

I can't fit in
Fit in my summer dress
Go out in bikini
Make me a sandwich

I'll remove all the cheese
Because I can't fit in
Fit in my summer dress
Go out in bikini

Chorus:
I can't fit in
No no I can't fit in
Please just comfort me
Comfort me

No more school
Because I don't know how
To introduce myself
Out there I'm paralysed

Out there I'm paralysed
Because I can't fit in
Fit in my summer dress
Go out in bikini

Chorus:
I just can't fit in
No, no I can't fit in
Please just comfort me
Comfort me
