

## Bittersweet Faith

Bitter:Sweet

No worry grows  
Everything will work out fine  
We'll hold our back  
Wait for another sight  
I've tasted  
Your bittersweet faith  
My heart waits for you  
I'm taking  
A moment to say  
Everything I do.. (I do, do, do)  
For you

(I do it all for you)

Lay your sweet  
Tears have cause my broken dreams  
Don't just be  
A word about a badass  
You'll need more than I'll ever give  
I came back to you  
I love you  
My angel husband  
Everything I do.. (I do, do, do)  
For you

(I do it all for you)  
(Everything...)

Oh, we're moving in the right direction  
Word is faith and faith has emerged a shame  
Half us was a beauty of perfection  
And going on, I want to do is stay

Oh...(I do it all for you)  
Oh....
