Do Your Thang

And you don't stop

And you can't stop Yeah, yeah I like this If you If you Wanna know Wanna know The real deal, about the Biz A-say what, a-say what? Well I'm the Biz Markie And I'm the P. Diddy So you know what time it is A-come on If you If you Wanna know Wanna know The real deal, about the Biz A-say what? And that's comin' from me, the P. Diddy And you know what time it is, right So come on Diabolical Don't stop and don't you dare quit Just get on the mic, sit on the mic Spit on the mic and don't you dare quit! When I get on the mic, I guarantee There's no better MC than Biz Markie

There's no better MC than Biz Markie Everything I say or anything I do Will move yo' posse or your crew

When you me hear me say and what I play Affects a lot of people in the strangest way Well I'm too cold to freeze, too hot to burn And I never miss a tag when it's my turn

'Cause I can, rock the mic if you give me a chance Cool V'll cut the record, make you do the 'Biz Dance' I can flip the crowd with a wave of my hand I'm the Diabolical, "And you know this man"

You can do your thang and any-thang you choose But please, please, leave my thang alone You can do your thang, and any-thang you choose So please, please, leave my thang alone

I'm the court jester, the manifester I used to buy my clothes at A.J. Lester's The rhymerator, the beat creator Whack rappers get dropped like a hot potato

The dime repeater, the MC greeter Knuckle bleeder, no need for a heater The only MC in the history

Biz Markie

Who didn't even have to R A P

The bum destroyer, I'm comin' for ya Got took to court and didn't need a lawyer Make James Brown get down Made Beretta go get her Made Laverne and Bill Cosby Go change they sweaters

I fought Mike Tyson, dropped him in 4 Went to Fort Knox and kicked down the door Rocked seven continents with all this flow "And this is somethin' for the radi-oh "

You can do your thang and any-thang you choose But please, please, leave my thang alone You can do your thang, and any-thang you choose So please, please, leave my thang alone

Got ladies screamin' stranje stranje With the rhythm and rhymes and style that I display If rap was sex, I'd be a porno star With Sade, and Janet, in a menage-a-trois

Merrily merrily, life is just a dream-ah First car, I ever had was a Beamer First girl, I ever had was a screamer I got out of breath and almost caught emphysema

Put the party people in a state of shock While Biz compose songs like Sebastian Bach This is the end of this scenario Like Robin Harris, "I gotta go, gotta go!"

You can do your thang and any-thang you choose But please, please, leave my thang alone You can do your thang and any-thang you choose So please, please, leave my thang alone

You can do your thang and any-thang you choose But please, please, leave my thang alone You can do your thang, and any-thang you choose So please, please, leave my thang alone

Leave my thang alone You leave my thang alone Leave my thang alone
