

Let Me Turn You On

Biz Markie

Everybody just clap your hands {"no stoppin"}
Uptown {"no stoppin"}
Brooklyn {"no stoppin"}
Queens {"no stoppin"}
The Bronx {"no stoppin"}
Long Island {"no stoppin"}
New Jersey {"no stoppin, say no stoppin"}
Yo V, bring it in
Aight, this this a special dedication
To my man DJ Hollywood
Because he was one of the first ones out there
And I-I-I'd like I'd like to sing a little song
A little something like this
To all the ladies out there, this goes out to you now
Check it out

Ooooh, whoa-whoa
No wayyyyyyyyyy, no wayyyyyyyyyy
For you to stop me now
I'm the kind of guy that could really turn you on
Give you so much lovin', and treat you on
Just hold me close and hold me tight
And let's make love tonight
And I swear to you baby, I'll treat you right
If you're the kind of girl that I've been lookin' for
Be real good to me baby, let me be adored
I don't stop the way I'm feelin'
Just keep on turnin' me on
And I swear to you baby, I'll love you all night long

Somebody say well (well) - WELLLLLL! (WELLLLLL!)
There ain't no way to stop me now, come on
Let me here you say welll (welll) - oh well (oh well)
WELLLLLLL-LLLLLLLL-LLLLLLLL

Did you ever see a girl, and thought she didn't care
Did you ever feel like cryin', and think you'd get nowhere
Did you ever see her comin', when the lights were down below
Did you ever whisper God I love her, but how much you never know
Did you ever look into her eyes and see a little prayer
Could you sew a spot, flow to her heart
And think that you were there?
Did you ever wonder where she is, or wonder if she's true?
One day you'll be happy
But that next day you'll be blue

That's why I say well (well) - it feels so good to me
WELLLLLL (WELLLLLL) - you know just how to set me FREEEEEEEE
Say LET ME LET ME LET ME LET ME
LET ME LET ME TURN YOU ON, oooooooooohhhhhh

Whenever I see her face (where you goin brotherman?)
I take a trip to a beautiful plaaaaaaaace
Say LET ME LET ME LET ME LET ME
LET ME LET ME TURN YOU ON, oooooooooohhhhhh

Whenever we're up close

It's your perfume I love the moooooooooooooost
Say LET ME LET ME LET ME LET ME
LET ME LET ME TURN YOU ON, oooooooooohhhhhh

When all the other fellas try to run that game on you
I want to show you baby a love that's true
A love that's good, and a love that's fine
Somethin' to blow your mind
Talkin' bout a love of the freakiest kind
Because you got eyes like a-water
Lips so rosy red
Every time I see you really turns my head
And I'm the kind of guy, that love you all for me
And everybody know my name is (BIZ-MAR-KIE)

Say, well, WELLLLLLLLLLLLLL
Well, well well welll
Well, well, well!
Let me let me turn you on, oooooooooohhhhhh
Let me let me turn you on
Please baby, let me turn you on
Welll welll welll welll welll welll
Let me let me turn you on, oooooooooohhhhhh
Yeah, yeahhhhh
Yeah, yeah yeah yeah
Pleeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeease
Let me let me turn you on, oooooooooohhhhhh
