It's gon' be called, "The Return.. of the Biz Mark"

Go Biz Mark!

I'm the Biz Markie, I'm known for beatboxin and rap
And now it's time, to bring my funky dance back
And once again, puttin you in a trance
In case you all forgot it it's called the Biz Dance
A movement by the body that's made like a puppet
I'm here to bring it back, and party people love it
So everybody knowin', and those who want to learn
Get up and move your body as I return

Wit the Biz Mark, Biz Mark...
Go Biz Mark!
Wit the Biz Mark, Biz Mark...
Go Biz Mark!
Wit the Biz Mark, Biz Mark...
Go Biz Mark!
Wit the Biz Mark, Biz Mark...
Go Biz Mark!

Well I'm here to show you like a dance that never dies
That's put inside within yo' TV Guide
A movement of the body that can't be beat
It's like done by the creatures on Sesame Street
Now I can move my body when I'm dancin' at a party
Like a ballerina that's drunk on Bacardi
I start to think of pop-and-twist
You think James Brown is wild, ah bust this!
