And now we will comence with a prayer
WELCOME
Hooked back up with tony C
You know what im sayin Yeah yeah yeah yeah
See theres a lot of quesions that muthafuckas need answered
youknowhatI'msayin?
They wanna know whats up with Bizzy and Bone Thugs
(did y'all break up?)
and all this and all that (whats goin on?)
I'ma simplify that shit
Feel me feel me

Standin in thick tops with two pairs of reeboks And we not leavin til them all clean where tha fiends at Doin it for my babies and baby it aint no turnin back Burnin that cigarette You know what these niggas can get These, I done smoked soo much weed Bought 20 V's, hennessy And even the industry tried to play me like a crack fiend Eazy was my nigga but Eazy gave me all the liqour, I was only 16 Ruthless cant tip me all of the demons missed me Two of the bones dissed me I dont give a fuck we got history Shit it aint no mystery Niggas is pissed off they say I aint showin up to shows But the people dont know I aint makin no money so what am I workin for Tell me what am I hurtin for Baby what are we researchin for Restitution little foster kids give me contributions soo you can ring out the towel And watch its playin me now

Roll, like can get rolled over come, come and get you some, de dum de dum de dum de dont doubt me

Am I hate well I aint shot nobody yet how am I the bad guy Yall tellin mad lies And this is for the strong black fathers Gon get your dollars and take your kids to college Keep some extra for leather squallas My momma was a hustla, and you can call me pretty boy floyd Runnin when i hear the cop noise chillin coffee pops, they boys Thank you for the beatings im my own man elevate then a grown man I dont trust nobody, chemicals that was taped thru my nervous system And sentimental survivors ducked down in churches protectin strays from mangin Did I forget to mention GOD never me and my wife drop daily On our knees forever little babies Remember remember the faith will get you through Even though that hate was all we knew Still throwin food drives droppin little kids hollas as we get rushed like Elian Gonzales screamin for momma

Roll, like can get rolled over come, come and get you some, de dum de dum de dum de dont doubt me

GOD first then we second for musics a blessin servin it from lyin then I aint bryon And I'm fryin and lessons of a ghetto kids who feelin fiends cribs where everybody keeps dyin And everybodys takin nobody years in science if signs exist in the times we tint Fell in cryin to the bitch What the fuck am I supposed to do harm to the world is school With a tactic to lose, cause we been slaves ever since them niggas follow the rules Minorites in hell majority in jail more rappers is actin Never stood on no block I can tell raggin and force flaggin Lil faggot you got some bail for my homies Saddity you ain't nothin like Bizzy cause you phony I'm money He dont want dymond dolla you talkin to nickys daddy Have they momma or they fuckin fathers hello bother my peoples with daddy Well shit if people will tell me for fame Lame, read books and go get some game

Roll, like can get rolled over come, come and get you some de dum de dum de dum de dont doubt me
