

Black Lake

Björk

Our love was my womb but our bond has broken
My shield is gone,
my protection is taken

I am one wound,
my pulsating body
Suffering being

My heart is enormous lake,
black with potion
I am blind,
drowning in this ocean

My soul torn apart,
my spirit is broken
Into the fabric of all he is woven

You fear my limitless emotions
I am bored of your apocalyptic obsessions

Did I love you too much?
Devotion bent me broken
So I rebelled,
destroyed the icon

I did it for love,
I honoured my feelings
You betrayed your own heart,
corrupted that organ

Family was always our sacred mutual mission
Which you abandoned

You have nothing to give,
your heart is hollow
I am drowned in sorrows

No hope in sight of ever recover
eternal pain and horrors

I am a glowing shiny rocket
Returning home

As I enter the atmosphere
I burn off layer by layer
