

## Claimstaker

Björk

I walk through this land  
Stake a claim  
With my sense  
With my bark  
Mark my nest with song  
Hear the echo from that cliff  
I draw laser lines through lake  
To take physicality  
Inhale  
I inhale this physicality  
This forest is in me

This forest is in me

I immerse me

This is my home
