

## Come to Me

Björk

Come to me  
I'll take care of you  
Protect you  
Calm, calm down  
You're exhausted  
Come lie down  
You don't have to explain  
I understand

You know  
That I adore you  
You know  
That I love you  
So don't make me say it  
It would burst the bubble  
Break the charm

Jump off  
Your building's on fire  
I'll catch you  
I'll catch you  
Destroy all that is keeping you back  
And then I'll nurse you  
I'll nurse you

Come to me  
I'll take care of you  
You don't have to explain  
I understand
