Heaven  
Heaven's bodies  
Whirl around me  
Make me wonder

And they say, back then, our universe  
Was an empty sea, until a silver fox  
And her cunning mate, began to sing  
A song that became the world we know

Heaven  
Heaven's bodies  
Whirl around me  
Make me wonder

And they say, back then, our universe  
Was a cold black egg, until, the god inside  
Burst out and from, its shattered shell  
He made what became the world we know

Heaven  
Heaven's bodies  
Whirl around me  
Make me wonder

And they say, back then, our universe  
Was an endless land, until, our ancestors  
Woke up and before they went back to sleep  
They carved it up into the world we know

Heaven  
Heaven's bodies  
Whirl around me  
Make me wonder

And they say, back then, our universe  
Wasn't even there until a sudden bang  
And then there was light  
Was sound  
Was matter  
and it all became the world we know

Heaven  
Heaven's bodies  
Whirl around me  
Dance eternal
