

# It's in Our Hands

Björk

Look no further  
Look no further  
Look no further

Cruelest  
Almost  
Always to ourselves  
It mustn't get any better  
Off

It's in our hands, it always was  
It's in our hands, in our hands  
It's all there, in our hands  
It's all there, in our hands

Well  
Aren't we scaring ourselves  
Unneccesarliy?  
Aren't we trying too hard?

'Cause it's in our hands  
It's in our hands  
It's all here, it's in our hands

Look no further  
Look no further

It's in our hands, it always was  
It's in our hands
