

# Mutual Core

Björk

I shuffle around  
The tectonic plates  
In my chest  
You know I gave it all

Try to match our continents  
To change seasonal shift  
To form a mutual core

As fast as your fingernail grows  
The Atlantic Ridge drifts  
To counteract distance  
You know I gave it all

Can you hear the effort  
Of the magnetic strife ?  
Shuffling of columns  
To form a mutual core

This eruption undoes stagnation  
You didn't know I had it in me  
Withheld your love, an unspent capsule  
I didn't know you had it in you  
You hid the key to our continuity  
I didn't know you had it in you  
This eruption undoes stagnation  
You didn't know ! You didn't know !

What you resist persists  
Nuance makes heat  
To counteract distance  
I know you gave it all

Offered me harmony  
If things were done your way  
My eurasian plate subsumed  
Forming a mutual core

This eruption undoes stagnation  
You didn't know I had it in me  
Withheld our love, an unspent capsule  
I didn't know you had it in you  
This eruption undoes stagnation  
You didn't know I had it in me  
This eruption undoes stagnation  
You didn't know ! You didn't know !
