Mutual Core

I shuffle around The tectonic plates In my chest You know I gave it all

Try to match our continents To change seasonal shift To form a mutual core

As fast as your fingernail grows The Atlantic Ridge drifts To counteract distance You know I gave it all

Can you hear the effort Of the magnetic strife ? Shuffling of columns To form a mutual core

This eruption undoes stagnation You didn't know I had it in me Withheld your love, an unspent capsule I didn't know you had it in you You hid the key to our continuity I didn't know you had it in you This eruption undoes stagnation You didn't know ! You didn't know !

What you resist persists Nuance makes heat To counteract distance I know you gave it all

Offered me harmony If things were done your way My eurasian plate subsumed Forming a mutual core

This eruption undoes stagnation You didn't know I had it in me Withheld our love, an unspent capsule I didn't know you had it in you This eruption undoes stagnation You didn't know I had it in me This eruption undoes stagnation You didn't know ! You didn't know !
