

# So Broken

Björk

So broken,  
In pieces,  
My heart is so broken,  
I'm puzzling.

Here I go  
Trying to run ahead of that,  
Heart break train,  
Thinking,  
It will never catch up with me.

I'm so broken,  
hedan-bidur-afte-care,  
So broken,  
hedan-bidur-afte-care,  
Yeah, ha-ee, ha-ee, ha-mmm,  
hedan-bidur,  
Wooh-ahhh-hmm...

I'm trying to land,  
This aeroplane of ours gracefully,  
But it seems just destined to crash,

I'm so broken,  
hedan-bidur-afte-care,  
My heart is so broken,  
hedan-bidur-afte-care,  
Yeah, ha-ee, ha-ee, ha-mmm,

How can, how can,  
And I sense (?)  
All continuity  
Has vanished away  
At one step at a time now baby  
I'm so broken  
hedan-lidur-afte-care  
I'm-m-m-mmm...so broken  
hedan-bidur-afte-care  
Yeah, ha-ee, ha-ee, ha-mmm

I'm so...  
Completely unhealable, baby  
Ohhh!!  
Ohh-er-him  
I'm so broken  
Ahh-edá-midur-afte-care  
Yeah, ha-ee, ha-ee, ha-mmm  
En-lickel-afte-sjólvar  
En-neon-co-cole-ah-ahh  
Neo-sasar-ohh  
En-mi-sshh...
