

## Frozen Tears

Black Abyss

First time I ever saw her  
Standing there she looked to me  
A burning fire in her eyes  
So much emotions in her  
But deep inside I always knew  
That sheé been hurt so many times

I see frozen tears  
In your crystal eyes

How could I ever tell her  
What she means to me by now  
She's like a bird with broken wings  
I wish I could make her see  
All the feelings burn in me  
I just want to make her fly again

I see frozen tears  
In your crystal eyes

Forever I will keep her  
In my heart she'll never leave  
To make the fire burning on  
And when our last day has come  
When it's time to say goodbye  
I know there won't be no more tears

I see frozen tears  
In your crystal eyes
