

Late Night Sweet Love

Black Buddafly

Ooh yeah
First of all let me say
You looking hot tonight and boy I'm glad that you're here
When you look at me it's so intense and I just wanna get on my knees
Now let me take your coat and just take off your shoes
Want you to get comfortable
And if you feel like laying down we can do that I'm prepared so let's go
And I'll give you
I'll give you some of my
I'll give you some of my late night sweet love
Let me seduce you boy I know
I know you're gonna like
I know you're gonna like it Oh I'm so
And boy if you let me take you
Let me take you on a trip
Wanna touch you with my legs in the right spot
Baby boy I'm ready let's go
I'll give you some of my
Let me give you some of my late night sweet love
Boy we can take it slow and casual
It's whatever you like
But as I know you're an animal
So bring it on tonight
So hot, hot, hot, hot make my heart bump fast
As we rub against each other sweating under the covers
I told you I ain't gonna be shy baby
It's crazy how you make me feel
So I'll give you some of my
I'll give you some of my
I'll give you some of my late night sweet love
Let me seduce you boy I know
I know you're gonna like
I know you're gonna like it Oh I'm so
And boy if you let me take you
Let me take you on a trip
Wanna touch you with my legs in the right spot
Baby boy I'm ready let's go
I'll give you some of my
Let me give you some of my late night sweet love
Let me take you away
For tonight baby I am all yours
Let's make love till we both just cannot take anymore
Let this fear about us so you will see how much I want you
Tell me what to do
I'll give you some of my
I'll give you some of my late night sweet love
Let me seduce you boy I know
I know you're gonna like
I know you're gonna like it Oh I'm so
And boy if you let me take you
Let me take you on a trip
Wanna touch you with my legs in the right spot
Baby boy I'm ready let's go
I'll give you some of my
Let me give you some of my late night sweet love
