

# Crawl To Exceed

## Black Comedy

Before you whip me into submission  
Torture me and exploit me  
I think there's something you should know  
I was born into the beating  
I'll let you decide the position  
Control my disposition  
Your bidding I accept wilfully  
If you say it's so, it's so... well!  
Some say it's a game of mutual trust  
But I don't care if you get too sordid  
Don't you stop, we've just started  
The true ways of sodomy  
Scarcity of really living  
The sense of truly exceeding  
Enter the role of the sodomite  
Hurt is just temporary feeling

Last breath before the beating now  
Suppress the questions "why" or "how"  
There's no rational explanation  
Mistress! Ready for my dedication?  
I know my place in the hierarchy  
Lowest form must adhere perfectly  
O' won't you please teach me - what it means to  
dominate!

Insane!  
There's no room for pleading now  
I sense the lust in your blows  
I am "S" and you are "M"  
Together we're sadomasochism  
Insane!

Hit me harder...  
Submit to my tainted stick!  
Bow down, you're at the mercy of the whip  
Never give in to you!  
No need to explain, my solution is pain

To live you must learn to crawl  
As a slave you can't have it all  
Being a worthless piece of shit  
Doesn't make me feel small at all

Insane!  
There's no room for pleading now  
I sense the lust in your blows  
I am "S" and you are "M"  
Together we're sadomasochism  
Insane!

Hit me harder...  
Submit to my tainted stick!  
Bow down, you're at the mercy of the whip  
Never give in to you!  
No need to explain, my solution is pain  
The sweet sting to the cracking sound

The brilliant touch of inhumanity  
There is no shame, my solution is pain

This is just a demonstration - of my therapy  
This is just a demonstration - of sincerity  
This is just a demonstration - of depravity  
This is just a demonstration - of my intensity  
To see how low!  
I can go!

Hit me harder...  
Submit! To my tainted stick!  
Bow down, you're at the mercy of the whip  
Never give in to you!  
No need to explain, my solution is pain  
There's no pleasing without teasing  
Play!
