Crawl

Black Country Communion

Out there you're gotta walk so proud You say you wanna leave this crowd Today, a shot away, you slip Seems like you're gonna lose your grip

Invisible, invisible

You live and you will die, so stoned And still you wonder why, alone

So fake, no mercy
You fall
You break, no pity
You crawl
So fake, no mercy
You fall
You break, no pity
You crawl

A wreck, a tragedy, a sign So sad the memory, redline Too late to build a bridge on trust I see the gold has turned to dust

Invisible, invisible

You live and you will die, so stoned And still you wonder why, alone

So fake, no mercy
You fall
You break, no pity
You crawl
So fake, no mercy
You fall
You break, no pity
You crawl
