

# Bend Your Back

Black Eyed Peas

Bend your back like that  
Bend your back like that  
Bend your back like that  
Bend your back like that  
Bend your back like that

Get up, lil' crazy like that  
Bend your back like that  
Bend your back like that

I should bring on the form of retro back track just 1  
Like a punk flunks  
(A zig-a-za, w zig-a-zaw, zig-a-zaw)  
You feel me now, feel me now, feel me now  
Pulsating move the boom-bip orthodox hip-hop we

Move the new shit  
I sing ya sound, sing ya sound, sing ya sound  
So hear me now, hear me now  
Hear me now

Break it down to the bone  
Give it to me till it's gone  
Ain't nothing wrong, it's okay  
You make me feel that special way

'Coz this D.J., he gets down  
Mixing records  
Round and round and away we go  
(Ooo, we got it)

If you going crazy we know the way to go  
(Ooo, we got it)  
Everybody if you ready lemme hear you now  
(Ooo, we got it)

Bend your back like that  
Get up, lil' crazy like that  
Bend your back like that  
Bend your back like that

Ready on the steady state  
Navigate to stimulate  
Never let on production  
Elevate your destruction

Function with the verso now  
Skip [unverified] 50 sounds  
[Unverified] to the top  
Get the bottle I'ma hop  
Bigger than your [unverified]

Heart is beating now faster  
Master of ceremony  
When they try to H.O.E.  
(O to the I to the I to the G)  
(I to the N to the allergy, if it gets you say it's originality)

Break it down to the bone  
Give it to me till it's gone  
Ain't nothing wrong, it's okay  
You make me feel that special way

'Coz this D.J., he gets down  
Mixing records  
Round and round and away we go  
(Ooo, we got it)

If you going crazy we know the way to go  
(Ooo, we got it)  
Everybody if you ready lemme hear you now  
(Ooo, we got it)

Bend your back like that  
Get up, lil' crazy like that  
Bend your back like that  
Bend your back like that

Jump back jump inside B.E.P. music  
Shake what your momma gave you through the music  
If you abuse it we'll stop the music  
If this the bomb no need to diffuse it

Let us demonstrate the real co-ordination  
When we improvise get you timing sensation  
[Unverified] motivation  
Musically we in touch with our creation
