[Chorus (2x):]

Everyday and all night  
I dream of holding you tight  
Crazy as I may seem  
You're all that I ever need, babe

I gotta make you mine, you're someone I wanna own  
I wanna be the one you call when you feelin alone  
I'm gonna make it easy for you to unedrstand  
You can be the infamous woman  
That partner in hand could be me, pleasurable company  
Gettin you like enter, when I feel on your body  
It done hit me like "Jesus, please"  
You movin authentic 'cause energy sent to me knees that  
Make em buckle (Baby) Speakin a buckle  
Why don't you undo yours, and make our body hussle  
Isn't it love when two body collide  
Lettin all sparks that resembles Fourth of July skies  
And you know how much I care about you right (Oh yeah)  
When you're on my mind, I'ma be alright (Oh yeah)  
I wanna love you down in so many ways (Oh yeah)  
When I'm feeling blue, I think of you and say (Oh yeah)  
And if you knew how deep I feel about you girl, then you will  
Not think twice when I ask to hook up and go chill  
It could be in my place (On my place)  
Or your place (Or your place)  
And we could let our body conversate, 'cause

[Chorus (2x)]

This ain't no attempt to get all up in your jeans  
Even though I wanna make you scream to extreme  
Our mouths give you chocolate treats like Halloween  
Act out scenes where you and I wrote, my scene 'cause it's  
(Something in the way you make me feel)  
You got me feelin like I'm supposed to feel  
Just you and I, upclose and personal  
I'll be gentle while you lettin your emotional feel  
(Chick-a-boom-boom) And you got it good like that  
When you and I interact you'll be whipped on contact  
'Cause once you Willy, you never go back  
Baby, once you go Willy, you never go back  
I said how much I care about you right (Oh yeah)  
When you on my mind, I'ma be alright (Oh yeah)  
I wanna love you down in so many ways (Oh yeah)  
When I'm feeling blue, I think of you and say (Oh yeah)  
And since you knew how deep I feel about you girl, then you will  
Not think twice when I ask to hook up and go chill  
It could be in my place (On my place)  
Or your place (Or your place)  
And we could let our body conversate, 'cause

[Chorus (2x)]

(Something in the way you make me feel)  
You got me feelin like I'm supposed to feel (Feel)  
You got me feelin like I'm supposed to feel (Feel)  
You got me feelin like I'm supposed to feel (Tell me babe)

[Repeat]
