

## Forever Time

Black Flag

Time Time Time Forever time  
It's time to walk by me  
One last time, it's time  
At first Relax  
Get set  
Get your message from time  
Time, time, time, time Time  
Time Time Forever time  
It's time to look into my eyes  
One last time,  
It's time I feel

I'm some kind of death machine  
With skin and muscles and a heart  
That pumps my blood  
Time, time, time, time, time  
Time Time Forever time  
It's time to kiss me goodbye  
One last time,  
It's time

This is the first time  
This is the last time  
It's my only time  
But it's only time  
Time Time Time
