## **Room 13**

Keep me alive Only you can do it If not you'll die too and I'll see to it It's hard to survive Don't know if I can do it Keep me alive I can't accept my fate I need help before it's too late It's hard to survive Don't know if I can do it I need to belong I need to hang on I need, need Keep me alive Feelings I must obey Can't turn my eyes from the past This crisis is the last It's hard to survive Don't know if I can do it Keep me alive I rely on your judgement I've got none left of my own Don't know what I'm doing It's hard to survive Don't know if I can do it I need to belong I need to hang on I need, need Keep me alive Only you can do it Keep me alive Only you can do it It's hard to survive Don't know if I can do it Keep me alive Keep me alive Keep me alive Keep me alive It's hard to survive Don't know if I can do it I need to hang on

I need to belong

## **Black Flag**

I need, need.
