

Six Pack

Black Flag

\$35 and a six pack to my name
SIX PACK!
Spent the rest on beer so who's to blame
SIX PACK!
They say I'm fucked up all the time
SIX PACK!
But I know they're a waste of time
SIX PACK!

I know it'll be OK
When I get a six pack in me, that's right

My girlfriend asked me which one i like better
SIX PACK
I hope the answer don't upset her
SIX PACK
I was born with a bottle in my mouth
SIX PACK!
Now I've got six so I'll never run out
SIX PACK!

I know it'll be OK
When I get a six pack in me, that's right

\$35 and a six pack to my name
SIX PACK!
Spent the rest on beer so who's to blame
SIX PACK!
They say I'm fucked up all the time
SIX PACK!
But I know they're a waste of time
SIX PACK!
SIX PACK!
SIX PACK!
SIX PACK!
