

White Hot

Black Flag

Love me
So I can feel the pain
Of not having made a mistake
Love me
So I can crawl into your oven
And begin to bake
Love me
burns
I'm alive
Love me
Until I hate

WHITE HOT
WHITE HOT
WHITE HOT

Love me
me
My life collision course
Love me
Consume my life force
Love me
So I don't enter that cave
shelter finding I'm cold
Love me
So I can tear you apart

WHITE HOT
WHITE HOT
WHITE HOT

Love me
As I
Pleasure make me go
Love me
So I can feel my heart
Of
Love me
So I can fall apart
The ending I already know
Love me
Vicious accidents
White

WHITE HOT
WHITE HOT
WHITE HOT
