

# A Day Alone

Black Lab

And the light inside of all your favorite songs  
Turns the whole world on  
It's what we want and it shines  
Oh, it shines  
It's what I found in you  
I hope you feel it too  
'Cause without you I'd be lost

Give a little of what would make you free  
A day alone is wasted time for me  
Give a little of what you want to be  
A day alone is wasted time for me  
Give a little love and you might see  
A day alone is wasted time  
I'm waiting here for you  
You know what to do

And the sight of your smile turns me inside out  
It just breaks me down  
I make no sound and  
I remember why I shouldn't trust my mind  
It's just a waste of time  
'Cause without you I'd be lost

Give a little of what would make you free  
A day alone is wasted time for me  
Give a little of what you want to be  
A day alone is wasted time for me  
Give a little love and you might see  
A day alone is wasted time  
I'm waiting here for you  
You know what to do
