

# Lonely Boy

Black Lab

You say  
You like to sleep alone  
And I say  
I miss the way you breathe  
You say  
I get away with murder  
But you know I've paid for hurting  
Someone I can't leave behind

Do you feel something  
Pulling you back in  
Do you see something  
You wanna see again  
I could be the one  
I could make it up to you  
Take me back, I'm the lonely boy who  
Who loves you

You say  
My broken heart becomes me  
I say  
I'd sell it cheap to you  
You say  
I should  
Wrap all the lies I've told in  
10 dollar bills and smoke the  
Money doesn't burn so clean

Do you feel something  
Pulling you back in  
Do you see something  
You wanna see again  
I could be the one  
I could make it up to you  
Take me back, I'm the lonely boy who  
Who loves you
