Angel of Mercy

Black Label Society

I woke alone today For all the birds have flown Inside this empty house Which no longer feels like home

No angel of mercy Is gonna hear my call (lord no) No angel of mercy To dry the tears that shall not fall

I woke alone today Admidst life's killing fields of war Door of memories Closed forevermore

No angel of mercy Is gonna hear my call (lord no) No angel of mercy To dry the tears that shall not fall

No angel of mercy Is gonna hear my call (lord no) No angel of mercy To dry the tears that shall not fall
