

## Devil's Dime

Black Label Society

Fly so high  
Never, ain't never gonna die

Hellbent, blitzkrieged  
Take what you want at will  
Hellbent, blitzkrieged  
Can't live unless you kill

When you're living  
On the Devil's Dime  
Devil's Dime  
Everything's paid and we're feeling fine  
On the Devil's Dime  
Devil's Dime  
The Wheels are rolling and we're running blind

No stop signs  
Ain't no slowing down  
Broken, confusion all around

Hellbent, blitzkrieged  
Take what you want at will  
Hellbent, blitzkrieged  
Can't live unless you kill

When you're living  
On the Devil's Dime  
Devil's Dime  
Everything Paid and we're feeling fine  
On the Devil's Dime  
Devil's Dime  
The wheels are rolling and we're running blind
