Hey You (Batch of Lies)

Black Label Society

Out of touch You're out of time Left alone Yourself to find Bound & chained by your silence Things to be known If it awakens, Just Where.. Where Will It Go Now?

Hey, Hey You What ya gonna do? When you open your eyes And you realize Hey, Hey You What ya gonna do? When you open your eyes And you realize That batch of lies was really the truth

The Paranoia The fear they're your friends Wish to hear nothing While seeing all the same Bound & chained by your silence Things to be known If it awakens, Just Where... Where Will It Go Now?
