

# I Never Dreamed

Black Label Society

My daddy told me always be strong son  
Don't you ever cry  
You find the pretty girls and then you love them  
Then you say goodbye  
I never dreamed that you would leave me  
But now you're gone  
I never dreamed that I would miss you  
Woman won't you come back home

I never dreamed that you could hurt me  
And leave me blue  
I've had a thousand, maybe more  
But never one like you  
I never dreamed I could feel so empty  
But now I'm down  
I never dreamed that I would beg you  
Woman I need you now

It seems to me I took your love for granted  
It feels to me that this time I was wrong, so wrong  
Oh Lord now I feel so lonely  
I say woman won't you come back home

I tried to do what my daddy taught me  
But I think he knew  
Someday that I would find one woman like you  
I never dreamed that it could feel so good, Lord  
That two could be one  
I never knew about sweet love  
So woman won't you come back home  
Oh baby won't you come back home
