

## Phoney Smiles & Fake Hellos

Black Label Society

You, yeah you, yeah you  
You got a cardboard cutout soul  
Just a powertripping, mindraping, backstabbing junkie  
Thinking your hype is true  
You, yeah you, yeah you  
Respect ain't a word you know  
You're just a fabricated lie that doesn't exist  
Dropping names wherever you go

R: Life's phoney smiles and fake hellos  
The hardcore rush of watching heads roll  
As I dig your grave and kill your lifeless stare  
Fuck yourself for all I fucking care

You, yeah you, yeah you  
Thinking you know it all  
35 years old with a wife and two kids  
Still living and your mother's home  
You, yeah you, yeah you  
A sellout and a social whore  
You'd sell your mother's soul just to get ahead  
A disease down to the core

R:

You, yeah you, yeah you  
Still haven't figured what it is you do  
Just a no talent nothing with a ten ton ego  
Until your 15 minutes are through  
You, yeah you, yeah you  
A conscience deaf and blind  
I'm driving the hearse without remorse  
Killing you and your kind

R:
