

On the Bound

Black Light Burns

All my life is on me now, hail the pages turning
And the futures on the bound, hell don't know my fury
You're all I need, you're all I need, you're all I need
You're all I need, you're all I need, you're all I need
You're all I need - and maybe some faith would
Do me good
I don't know what I'm doing, don't know should i
Change my mind, I cant decide, there's too many
Variations to consider
No thing I do don't do no thing but bring me
More to do,
Its true, I do imbue my blue unto myself,
I make it bitter
Baby, lay your head on my lap one more time
Tell me you belong to me
Baby say that its all gonna be alright
I believe that it isn't.
