

## On the Bound

Black Light Burns

All my life is on me now, hail the pages turning  
And the futures on the bound, hell don't know my fury  
You're all I need, you're all I need, you're all I need  
You're all I need, you're all I need, you're all I need  
You're all I need - and maybe some faith would  
Do me good  
I don't know what I'm doing, don't know should i  
Change my mind, I cant decide, there's too many  
Variations to consider  
No thing I do don't do no thing but bring me  
More to do,  
Its true, I do imbue my blue unto myself,  
I make it bitter  
Baby, lay your head on my lap one more time  
Tell me you belong to me  
Baby say that its all gonna be alright  
I believe that it isn't.
