Tiger by the Tail

Black Light Burns

I see, look across the way there Like flame, giving me the same stare Eyes locked Exhibits A and B You draw a line Cutting through the air and Connect Making us a pair then It's my hope to get burned Don't you see?

Big kitty cats don't lick no paws And little kitty cats don't show no claws Big kitty cats don't lick no paws And little kitty cats don't show no claws

I got a tiger by the tail And I'm gonna give it a little kick And then a big kiss

I got a tiger by the tail And I'm gonna give it a little kick And then a big kiss

It's not safe down on the ground, no They keep circling around, yeah You better learn to climb a tree It's not safe Not where we at, no You had better get yourself a bat and Start swinging away at anything you see

Big kitty cats don't lick no paws And little kitty cats don't show no claws Big kitty cats don't lick no paws And little kitty cats don't show no claws

I got a tiger by the tail And I'm gonna give it a little kick And then a big kiss

I got a tiger by the tail And I'm gonna give it a little kick And then a big kiss

I got a tiger by the tail And I'm gonna give it a little kick And then a big kiss
