

## Scars

## Black Majesty

So here I stand with my back against the wall  
My face wears the pain of emotionless  
Now that I see it through my sands of time

Help me I'm falling, you cant hear me calling,  
I'm wondering where you are?  
Hearing the bell toll it's taking my life

The scars I bare are all from you, they are not mine  
But still this life I leave behind wasn't all mine

All that i was I may never be again  
My inner self was torn it will never be the same  
Now that i see it through my sands of time
