

# Does She Or Doesn't She

Black 'N Blue

I look at her and she looks at me  
The way she makes her body talk  
We just met, but ooh, you better bet  
What I need is what she's got  
It's all I need

Her flesh and blood is what my dreams are made of  
That's what I found out tonight  
But I wanna know, is it yes or is it no  
Am I gonna see the light  
Am I gonna see it babe

And I wonder  
Does she or doesn't she  
Well, I wanna know, does she  
Well, I wanna know  
Does she or doesn't she  
Well, I wanna know, does she

She likes to dance with every guy around  
But what's she doin' there with him  
I can't take this anymore, so sink or swim  
You ain't no daddy's little girl  
Oh no, baby

And I wonder  
Does she or doesn't she  
Well, I wanna know, does she  
Well baby, I wanna know  
Does she or doesn't she  
I need to know  
(Does she)

Yeah, yeah I've gotta know  
I've gotta know, what's her philosophy  
This situation could make a monkey out of me  
If I put my hand, ooh, on her leg  
Will she give it all or will she make me beg

Give me a sign of what you have in mind  
And I will see you in my dreams  
If you don't want me, then just pass me by  
But you can never say goodbye

Does she or doesn't she  
Well, I wanna know, does she  
[Incomprehensible]  
Baby, I wanna know  
Does she or doesn't she  
I wanna know, does she

Does she or doesn't she  
Does she  
Does she or doesn't she  
Does she  
Does she or doesn't she  
Does she
