

Nasty Nasty

Black 'N Blue

I wanna give you all a warning
Tell you a little story
She's a woman with a passion
For makin' history
She's got snake skin eyes
Draws the men like flies
She'll tear your heart to pieces
And I'm ready any time

With a love to crave her
She's got a lusty flavor
And with a little imagination
She's gonna rock the nation

Yeah
Well, so you've heard the news
She's gonna light my fuse
She's burnin', so get ready because

She likes it nasty nasty
Twenty four hours a day
Ready or not she's red hot
Nasty, nasty, nasty

I didn't listen to my mama
I been runnin' for the hills
I dove into her lunch box just for thrills
She's a go-getter
She's a red corvette
She's gonna take me to outer space
Baby, you better bet

She likes it nasty nasty
And baby I'm ready to play
Twenty four hours a day
She likes it nasty nasty
Doin' it every day
Ready or not she's red hot
Nasty, nasty, nasty

(Solo)

Na na nasty

I said
She likes it nasty nasty
Twenty four hours a day
Ready or not she's red hot
Na na na na nasty
I want my hands on you
Na na na na na na na na na na nasty
Ooh, you feel so good
You do, you do
Ah, ah, ah, ah, ah yeah
Give it up
