

# One For The Money

Black 'N Blue

Well, I'm lookin' for a honey  
We're gonna have a good time  
Need a dirty little cherry bomb  
She's gonna blow my mind  
Ain't got a lot of patience  
Ain't got a lot to say  
I'm feeling like a shotgun  
Gonna blow you away

If she ain't lookin' for love anymore  
She better take me  
And when I put my love through the door  
She's gonna feel it

One for the money  
And one for the road baby  
Just give it to me honey  
One for the money

Come on little lover  
She knows I want to try her out  
Wow, might have been a nuclear bomb  
Gonna set this on fire now  
Live it up baby  
Blow your cares away  
Don't care about the high price  
How much I gotta pay

If she ain't lookin' for love anymore  
She better take me  
And when I put my love through the door  
She's gonna feel it

One for the money  
One for the road baby  
Just give it to me honey  
One for the money  
Give it to me honey
