

Fistful Of Love

Black Oak Arkansas

Grab a fistful of love
It can't hurt
Grab a fistful of love
It can't hurt
Grab a fistful of love
It can't hurt
Grab a fistful of love
It can't hurt

Grab a fistful of love
A kiss from above
Grab a fistful of love
It can't hurt

Grab a fistful of love
Squeeze it tight
Grab a fistful of love
It's all right
Grab a fistful of love

Ya know ya should
Grab a fistful of love
It feels good

Every woman and man
Reach out hold hands
Grab a fistful of love
Its so good

Grab a fistful of love
It can't hurt
Grab a fistful of love
Watch it work
We know that it's real
We know how it feels
To grab a fistful of love
It can't hurt
