

Flying Horse Of Louisiana

Black Oak Arkansas

Flying Horse of Louisiana,
were you ever unknown?
Did your crowd fail to cheer?
Were you left standing and forsaken with your tears?

Flying Horse of Louisiana,
don't you know you've won at last?

Flying Horse of Louisiana,
yes, you're as proud as you can be,
with your strength and all your power,
and the ultimate of speed.

Flying Horse of Louisiana,
admit this isn't all you need.

Flying Horse of Louisiana,
do you know what this means?
Fill your head with love and dreams,
and touch the tops of the trees.
You've outdone the soldiers,
and the heads of the world.
