Yeah they call me yeah Hot n Nasty  
Yeah they call me uh Mister Fancy  
Yeah when you ball me

Oh when you ball me  
You're Miss Fancy

When I come a knockin' at your door  
Let me in and I'll tell you some more  
No two men are ever the same  
And they tell me

They say Jim Dandy is my name  
They say Jim Dandy is my name  
Always to blame

And always just the same
