

Lullaby

Black Rebel Motorcycle Club

You are the sun to the earth
You are the light of this world
Won't you see
Why won't you see

You are the hand I can't reach
You are the words I can't speak
Won't you sing
Why won't you sing

I will walk 'til I've no shadow
I will walk 'til I've no shadow

You twist the light in your hands
It moves and sparks
It's all the love you can give
Reasons fall from every storm that you lift
We move through the dark, helpless

You are the quiet in my soul
You are the pieces of gold
Won't you shine
Why won't you shine

I will walk 'til I've no shadow
I will walk 'til I've no shadow
I will walk 'til I've no shadow
I will walk 'til I've no shadow
