

## Not What You Wanted

Black Rebel Motorcycle Club

You know you've got a lot to learn  
You feel it but your heart won't burn  
The fear is runnin' every nerve  
Your turning to the ones you've hurt  
Nothing ever satisfies  
You're screamin' but your tongue's still tied  
Starvin' but your love won't feed  
Nothin' ever sets you free

You know you've got a long way down  
You'll feel it when you hit the ground

It's not what you wanted  
It's not what you came here for  
This place just leaves you cold  
Where nothing matters

Pinned inside the walls of sound  
Reachin' but your hands are bound  
Cryin' but your love's so sweet  
Your singin' but your heart still weeps

And no one ever seems to care  
Feels like she walks on air

It's not what you wanted  
It's not what you came here for  
This place just leaves you cold  
Where nothing matters

I can't wait for time to save us  
And I can't break your fall forever  
'Cause you always take  
You always take too much  
You always take  
You always take too much

It's not what you wanted  
It's not what you came here for  
This place just leaves you cold  
Where nothing matters  
It's not what you wanted

It's not what you came here for  
This place just leaves you cold, where nothing matters
