

A Bit of Finger / Sleeping Village / Warning

Black Sabbath

Red sun rising in the sky
Sleeping village, cockerels cry
Soft breeze blowing in the trees
peace of mind, feel at ease

Now the first day that I met ya
I was looking in the sky
When the sun turned all a blur
and the thunderclouds rolled by
The sea began to shiver
and the wind began to moan
It must've been a sign for me
to leave you well alone
I was born without you, baby
but my feelings were a little bit too strong

you never said you love me
and I don't believe you can
'cause I saw you in a dream
and you were with another man
You looked so cool and casual
and I tried to look the same
But now I've got to know ya
tell me who am I to blame?
I was born without you, baby
but my feelings were a little bit too strong

Now the whole wide world is movin'
'cause there's iron in my heart
I just can't keep from cryin'
'cause you say we've got to part
Sorrow grips my voice as I stand here all alone
And watch you slowly take away
a love I've never known
I was born without you, baby
but my feelings were a little bit too strong
