

## Live Forever

Black Sabbath

Just before you die  
They say you see your life go flashing by  
Cold dark endless nights  
To burn in hell or bathe in heaven light

Well I don't wanna live forever  
But I don't want to die...  
I may be dreaming but whatever  
I live inside a lie!

Days pass by too soon  
Waiting for the rising of the moon  
No escape from here  
Facing death but is your conscience clear?

I may be dreaming or whatever  
Watching my life go by  
And I don't wanna live forever  
But I don't wanna die!

And I don't wanna live forever  
But I don't wanna die  
I may be dreaming or whatever  
I live inside a lie.
